## HEADS OR TAILS? OR HEAD?

Dear *Voluptuous*,

Putting Kerry Marie and Lorna Morgan against each other and being told to choose between them is unbearable ("Big-Breast Challenge," *Voluptuous*, August '06). They are two of my all-time favorites (along with Diane Poppo and Danni Ashe). I love English brunettes with big tits and nice legs. Both Lorna and Kerry meet that criteria.

My problem is, I've jacked off to each so much, they are about even in that department, too. Well, it looks

And the winner is....*Heads!* as one reader put it, which translates into...**LORNA MORGAN!** In what has to be deemed a major upset, considering only two years ago Kerry Marie won the *Voluptuous* Model of the Year title, Lorna, the Welsh Wonder, has defeated Kerry in the BBC-II and is moving on to the Elite Eight where she will face either Cherry Brady or Jenny. For a complete breakdown of the brackets, turn to page 21.

like it's going to be a coin toss for this match-up. Heads is Lorna, tails is Kerry. And the winner is...

Lorna Morgan. She got heads, and I'd love to receive that from her for my vote. Sorry, Kerry. I'll make it up to you with an extra special load this month.—S.R., Evans, Georgia

## DEVON, NICOLE, VIA AND NOW...AMALIA PENNEY

Dear *Voluptuous*,

I just received the Aug. '06 issue of *Voluptuous*, and as I got to page 77, I nearly fell out of my chair. Amalia Penney is one of the sexiest women I've ever seen in *Voluptuous*. Her body is absolute perfection. The shot of her cleavage in that turquoise teddy was enough to jump-start my arousal, but what really got me was that ass shot on page 78 in that matching thong. What a perfect, squeezable ass!

As much as I love her ass, I think her best body parts are her nipples. I love how they pucker in the center. The sight of Amalia on page 80, looking at the camera with her beautiful eyes as she licks her breast, is eroticism at its finest.

I put Amalia in the same league as Nicole Peters, Devon Daniels and Via Paxton.—D.C., New York

## CAT FIGHT, ANYONE?

Dear *Voluptuous*,

Regarding your "Big-Breast Challenge II," the one in the July '06 issue was the best. The four photos of Kelly

Don't tell us you missed the debut of Amalia Penny. If you did, flip over to page 10 and pick-up a copy of the August '06 edition. Along with red wine and quality beef, Senorita Penny is one of Argentina's finest products. She's also in July '06 *SCORE*.

**Is Maria Verbeck destined for greatness? Many believe she's already there and a future Plumper of the Year award winner.**

## MARIA VERBECK STACKS THE DECK WITH HER PAIR

Dear *Voluptuous*,

The 2006 Plumper of the Year contest is already over for me. I will be voting for Maria Verbeck (April '06). She takes my breath away. Maria is the most beautiful voluptuous woman I have ever seen. She is so perfectly shaped and so perfectly plump. With her full, perfect, F-cup breasts, perfect, broad-beamed ass, perfectly shaped legs and perfectly cute smile, what more can I say except that she is also perfectly gorgeous. What amazes me the most is that along with her 50-36-44 body, Maria also looks like she has the tightest, little pussy.

Please bring her back for more pictorials and do anything to get her on DVD.—T.S., North Carolina

Kay and Sharday lying on their backs, showing off their large, ripe, sweet milkers, are the best I've ever seen. What man or woman wouldn't love to suck and lick on those beauties?

To determine the winner, it's too bad you couldn't decide it the fun, cock-stiffening way. Let the two voluptuous, big-titted, bare-cunted-and-assed vixens battle it out in a big, nude girl fight like you had girls do in your DVD *B.L.O.W.* A good, old-fashioned cat fight. And photograph the girls cat fighting! Furious wrestling. Face slapping. Hair yanking. Clawing, scratching, grabbing and pulling on each other's big tits. Sexy, arousing and exciting. A little more playful than serious. A little more girl show than real fighting. Well, that's my fantasy, anyway.—J.J., Canada

## IT'S ALL ABOUT THE BODY

Dear *Voluptuous*,

I agree with the opinions expressed in the last V-Mail letter in the July '06 issue. I, too, want to see the most voluptuous, all-natural women on the planet, *not* the prettiest. More hairy girls, preggers, older gals and super-titters, please.—K.D., Tampa, Florida

## CLASSY CENTERFOLD

Dear *Voluptuous*,

My compliments on a very good July '06 issue. The dual centerfold format is fantastic. Finally, if you're not a big fan of the Xtra section, you can still have a classy centerfold girl such as Angela White gracing your wall. I think this will serve as a welcome compromise for all readers.

My only complaint, although a very small one, is the choice of Angela White for the centerfold. She was already featured as the centerfold last July, and Joana or Diane Poppo would have been my choice for that spot of honor. I can't even complain about the plumpers, as both Inesse and Deja were a welcome sight.—J.P., Toronto, Canada

## THE BIGGER THE MEAT, THE BETTER THE BEAT!

Dear *Voluptuous*,

I generally like to see the new models, so I'm not all that excited about the "Big-Breast Challenge II," although I understand your desire to publish more photos of past superstars. Hopefully, I'll be as pleasantly surprised by some of them as I was by the full page shot of Marilyn Sakova in the May '06 awards issue. She looked totally different—nastier—and even more voluptuous than I had realized. Until I saw that shot, she was a boring model to me. Now, I can hardly wait to see more of her.

I wanted to also comment about three models from the June '06 *Voluptuous*. I like the new, mature-looking model Kitty Lee, but Devin Taylor gets my load because bigger is definitely better. Evidently, that's true of men's dicks as well, or women's passion for them, because, for the very first time, I was turned on by some of the pictures in the Xtra section.

In particular, I liked those pictures of Devyn Devine's ardent attempt to deep-throat an unusually big cock, and her intense facial expressions

Sometimes all it takes is one special photo to make people realize how great a model like Marilyn Sakova truly is. This one, in the May '06 issue, did it for R.Z. of Nevada.

when fucking, in addition to her stretch-marked, big-nippled floppers. I know I lust for huge tits (and truly, the bigger the better), so I've always related to women who yearn for grotesquely big man-meat, and now I see why I do.—R.Z., Nevada

## WHEN I WANT TO SEE DICK, I'LL LOOK AT MY OWN!

Dear *Voluptuous*,

I am thinking my complaining probably won't make much of a dent to your magazine, but I have to try.

You have a great magazine, showcasing the best and most beautiful naturally busty women on the planet.

I just wish you didn't include so many dicks. And, just in case you guys haven't quite figured this one out, as a male reader (as I presume most of your readers are), I've got a dick. When I want to see dick, I'll look at my own.

When I buy a new *Voluptuous*, the first thing I do is tear out the XXX section and toss it, then take my permanent marker and black out all of the other dicks (usually in the ads for DVDs). Come on, guys. Help us out here, because I read a letter similar to mine not so long ago in your magazine. Can you at least go back to obscuring the penetration scenes? I

## CALL THE BEAN COUNTERS!

Dear *Voluptuous*,

Every issue of *Voluptuous* is awesome. I'm so glad to be a member of your gentlemen's club. I was talking to a couple of co-workers the other day about trying to start up a new men's magazine like *Voluptuous*, and I have to ask, how did you ever get *The SCORE Group* started? Can you give me a few pointers? Not that I'd ever be able to make a magazine that could come close to *Voluptuous*. I just think it would be interesting to learn how this whole thing started.

I was also glancing through past issues of *Voluptuous*, and I cannot believe how many women are from England. I must have counted at least 15. I have a great idea. Have an issue dedicated to the girls of London, England. This just might be your biggest-selling issue to date. What do you have to lose?

Here is my Top 10 list of all time: 1. Nicole Peters; 2. Bozena; 3. Jessica Turner; 4. Blondie; 5. Zuzanna; 6. Brandy Talore; 7. Fleur Rose; 8. Ines Cudna; 9. Cassandra; 10. Chloe.

I did my voting on many things: breast size, pretty face, flat stomach, long hair, nice ass, bedroom eyes and a great smile. I'd be curious to see how my top 10 compares to that of other V-Men.—"Breast-man," Pennsylvania

Dear "Breast-man": For the SCORE Group story, log onto the Internet at [www.SCOREGroup.com](http://www.SCOREGroup.com). As for starting your own magazine, you need a lot of passion, a substantial amount of capital, an excellent editorial staff, a well-run studio, accomplished photographers, a dependable distributor and several hundred hot, busty models! Real easy, eh?

## GO COMPLETELY NUDE IN ONE THIRD OF THE PICTURES

Dear *Voluptuous*,

I think every pictorial should ensure that we get to see the girls completely nude (meaning no skirt or wraps around their waists) in at least a third of the pics.

## V-MAIL

*Continued from page 8*

However, I am one of those people who (having grown up with that Sears catalog and Victoria's Secret, too!) also likes to see the ladies in sexy underwear, shoes and clothing.

A little more total nudity would be great, but only one or two states of undress pictures is not enough, either. Maybe the answer is more photos per layout. I wouldn't mind if they were smaller pictures. I'd also rather see more spreading poses than the girls inserting vibrators and dildos.

Merilyn Sakova has to be your greatest discovery of the past 10 years since Linsey Dawn McKenzie. I hope we will be seeing lots more of her in both V-Mag and SCORE as she is perfect for both.—Dan.

## A BOOB CRUISE, NATURALLY

Dear *Voluptuous*,

I know you guys haven't done a Boob Cruise for several years. I figured 9/11 might have put a damper on that. I was thinking when you guys plan another Boob Cruise, maybe you can make it a *Voluptuous* Boob Cruise.

Basically, you would have all-natural models with a little more meat on their bones (and definitely no silicone). You could have some of the Boob Cruise veterans like Lorna Morgan, Danni Ashe and Linsey Dawn McKenzie, and you could also have some of the models who haven't been there before, like Kelly Kay, Jezhabelle, Brandy Talore, Ines Cudna, Merilyn, Via Paxton and Kerry Marie.—Bruce, via email

Dear Bruce: Great idea, but unfortunately there are no Boob Cruise plans on the drawing table. We'll definitely let you know if we plan another trip. ☺

# BIG-BREAST CHALLENGE II

V-Mag's 2000 Model of the Year takes on the 2005 Newcomer of the Year.

**VIA PAXTON**

**BEA FLORA**

"Big-Breast Challenge II" is certainly about matching up the best of the best. There are no losers in this compe-TIT-ion. Just winners going chest-to-chest against winners. Two issues ago, we had Kerry Marie and Lorna Morgan, two of the greatest big-titted Brits ever, squaring off. Last issue, former Model of the Year Carol Brown went up against modern-day superstar Marilyn Sakova. And this issue, we have another former Model of the Year, 2000 winner Via Paxton, going tit-to-tit against the babe who shocked Marilyn to win 2005 Newcomer of the Year: Bea Flora.

This is the "Big-Breast Challenge," and the only thing we care about is tits. Whose are best? But in this matchup, we have two ladies whose best attributes are not necessarily their tits.

There's Via, a Latina who just might have the greatest ass of any V-Girl ever. When she won Model of the Year in 2000, it was because of the complete package of face, tits and ass that she brought to the table. In this competition, we're asking you to judge her solely on her rack. Then there's Bea, who's among the most facially stunning women ever featured in V-Mag. When she won 2005 Newcomer of the Year, it was because of her amazing face as well as her FF-cup tits. Again, we're asking you to judge her solely on her rack. But, as we focus our attention on Via's and Bea's chestal assets, we see that both of them have a lot to offer in that department. No, Via and Bea aren't just about tits. But if they were, that'd be okay.

# The Postman Always Fucks Twice!

**She wanted his junk along  
with her mail, and he  
was happy to oblige, no  
matter what the cost!**

**Erotic Fiction by Michael Bracken**

I first saw the new tenants late one Thursday afternoon. A wiry, dark-haired man was struggling to pull a box spring from a U-Haul trailer attached to the back of a Ford Escort when I crossed the yard carrying a handful of third-class mail destined for the box on the front of the house.

A slender blonde opened the screen door when I stepped onto the porch. She wore painted-on blue jeans and a white, cotton wife-beater stretched tight across her ample breasts. Her eyes were hidden behind aviator sunglasses and her ruby lipstick glistened in the sunlight. She reached out and took the mail from my hand, her fingers brushing against mine. I felt an electrical tingle shoot up my arm, and my balls ached. I didn't think anything of it at the time. Perhaps I should have.

"You might want to change the name on the box," I suggested.

The blonde turned to look at the battered, black mailbox. The previous tenants had painted "Cox" in white block letters across the front of it.

"It's Occupant," she said. She returned her attention to me, but all I could see was my reflection in her glasses and, behind me, the dark-haired man finally pulling the boxspring free of the U-Haul trailer. "Our last name. In case we get anything."

"I'll try to remember," I said.

I couldn't tell if the blonde was being a smart-ass, and I didn't have time to find out. A moment of polite small talk wouldn't slow me down, but I didn't have time for extended conversation. I stepped off the porch.

I nodded to the man as I walked past him, and he nodded in return.

The Occupants had rented a small house at the end of Crier Creek Road. A tall hedge separated the house from the Johnsons' house, and on the other side of the house, the yard sloped down to the dry creek bed. Directly across the road,

Old Man Calvin had been holed up inside his place ever since his wife had passed on the previous summer.

I didn't see either Occupant again until Monday, when I again had third-class mail destined for their address. The driveway was empty, and I saw no signs of life as I stepped onto the porch. The previous tenants' name had been scraped from the mailbox, but no new name had replaced it. I stuffed the circulars into the box and reached into my leather bag for Old Man Calvin's mail.

The door opened, and the blonde stood behind the screen. She wore a short, blue robe, loosely tied around her waist. The top of the robe gaped open, letting me imagine more than I could actually see. I imagined that her tits were huge.

"You come by here the same time every day?" she said.

"Near enough," I told her.

"Ever bring good news?"

"There are coupons

for McDonald's in there." I nodded toward the mailbox. "Some people would say that's good news."

I turned and stepped off the porch. Behind me, the screen door opened, the mailbox rattled and then the screen slapped shut a moment later. I didn't look back.

Three days later, I tapped on the screen

door. I held a letter addressed to "McCarthy," and I showed it to the blonde when she finally pushed the screen door open.

"This you?" I said.

She took the envelope from my hand and examined it carefully. Finally, she said, "Close enough."

She wore blue jeans cut so short that the cheeks of her ass hung out the bottom, and she made the envelope disappear into her hip pocket. She definitely had my attention.

She said, "You're sweating."

I drew the back of my hand across my forehead. It came away wet. The temperature had been hovering in the low three digits since noon, and I'd left my pith helmet in the truck. "Yeah."

"I have sweet tea," she offered.

"That would be nice."

The blonde disappeared into the house and returned a moment later with a plastic pitcher and two ice-filled glasses. She poured tea in a glass and handed it to me. I drained it while she filled a second glass for herself. Tea splashed off the ice in her glass and dampened her white, cotton T-shirt. The wet fabric clung to her left breast, and her thickening nipple and tightening areolae were clearly visible through the nearly diaphanous material. I wanted to break protocol right

## KELLY KAY AND ANNA IOTA

**A former Newcomer of the Year and a girl who loves to cum finally cum together.**

The last time we saw 2004 Newcomer of the Year Kelly Kay (she's the one who's kinda wearing black), she was side-by-side with her sexy, busty mum, Jane. It was tame stuff yet a fascinating look at two generations of naturally big-racks. Now here's Kelly with the beautiful Anna Jota (she's kinda wearing pink), doing stuff a mother and daughter can't do.

Kelly isn't new to this girl-girl stuff. She did Linsey Dawn McKenzie in the May '05 issue of *SCORE* and shared a double-donger with Bozena in the DVD *Bosom Buddies #6* (available at [eBoobStore.com](http://eBoobStore.com)). As for Anna, this is the first time we're getting to see her with another chick, but it's not her first time with another chick. "Kelly's breasts were wonderful and her pussy tasted delicious, like honey," said Anna, who says she likes cock more than pussy and fantasizes about having both at the same time. As for Kelly, she said, "Anna is the most beautiful woman I've ever been with. I loved being with her because I could tell she loves women." Just like us!

then and there.

"Another?" the blonde asked when she saw that I'd finished my drink.

I hesitated, glancing at her chest before answering. "No," I said, my stiffening cock struggling to rise inside my boxers. "Thank you. One is enough."

I returned the glass, thanked her again and went on my way, but she was definitely on my mind.

**O**ld Man Calvin reached out from behind his door and took the mail from my hand.

"She's trouble, that one," he said.

"Who?" I asked.

He withdrew his arm and closed the door. I glanced over my shoulder and saw Mrs. McCarthy standing on her

porch watching me.

I finished with Crier Creek Road and then returned to my truck to refill my bag for the next road.

**"I** haven't seen your husband around, Mrs. McCarthy," I said a week later. In fact, I hadn't seen the wiry, dark-haired man, the U-Haul trailer or the Escort since that first afternoon.

"He's on a job," she said. She'd been flirting with me nearly every day, wearing suggestive clothing and greeting me when I stepped onto the porch with her mail. This day, she wore a thin, white blouse, loosely knotted under her breasts to reveal her taut abdomen. Another good feature.

"He returning soon?"

She shrugged. Her breasts bounced beneath the blouse. "When you say 'Mrs.' that makes me feel old," she

said. "Call me Jenny."

"I like that name," I said. I handed her the mail, circulars from the grocery stores and a *People* magazine addressed to the previous tenants.

"Do you like what you do?" Jenny asked, then breathing deeply.

"It's a job," I said. "Same as any other, I guess."

"You ever get lonely, walking around by yourself all day?"

"Not so much. Someone always takes the time to say howdy."

"I get lonely," Jenny said. She toyed with the knot on her blouse, finally pulling it open. "All by myself, out here in the middle of nowhere."

I knew I should have walked away, but I couldn't bring myself to leave her, not with her like that.

Jenny unbuttoned her blouse and pulled the material aside to reveal her breasts. Milk-white where her bikini top covered them during sunbathing with thick, pink nipples surrounded by areolae the size of saucers, her heavy breasts hung like a pair of over-filled mail bags.

My cock rose to attention, and I swallowed hard.

She reached out and placed one hand on my cheek. Her fingers felt hot against my skin. Then she slipped her hand behind my head and pulled my face down to hers. We kissed, and her tongue forced its way into my mouth. She pressed herself against me, her heavy breasts flattening against my blue uniform.

I stopped resisting and wrapped my arms around her, cupping the cheeks of her ass in my hands and pulled her crotch tight against mine. I'm sure she could feel my cock straining against her through the fabric of my uniform shorts. I'm sure she also felt the can of pepper spray I carried in my front pocket to defend myself against dogs.

The mailbag slipped off my shoulder, slapping against Jenny's thigh and surprising her. She stepped back, took my hand and pulled me inside the house. The living room was nearly empty with only a duct-taped La-Z-Boy and a console television to fill the space. Not that I cared.

I dropped my mailbag on the hardwood floor as Jenny unzipped my fly. She reached inside my shorts and pulled my cock free of the confining material. Then she lowered herself to

# SCARLETT

**Amazing...in and out of a corset.**

"Unless I wear a turtleneck, I'm showing cleavage. And I *don't* wear turtlenecks!" said Scarlett, who's back for the first time since being named V-Mag Plumper of the Year in the May '06 issue.

It's appropriate that Scarlett is wearing a red corset in this pictorial. She was named after Scarlett O'Hara, the main character in *Gone With the Wind*, and as this Scarlett pointed out, "She had an hourglass figure and was into the whole corset thing. I love corsets, too. I think I look great in them." We'll be the judge of that. And the verdict is...she looks fucking *awesome* in them! The red corset that Scarlett is wearing here is hers. "I love it, but I have to have somebody help me get into it," she said. "You can't put a corset on by yourself. If I'm lucky, I don't have to take it off by myself, either."

## BARE FACTS SCARLETT

**Height:** 5'6"

**Weight:** 181 lbs.

**Bra Size:** 38J

**Measurements:** 48-34-46

**Born:** Portland, Maine

**Lives:** Atlanta, Georgia

**Hobbies:** "I love shopping for lingerie at Frederick's, traveling to new places, singing karaoke, photography, having friends over for dinner, cuddling on the sofa and kissing for hours."

**Website:** [ScarlettWebb.com](http://ScarlettWebb.com)

**Appearances:** *Voluptuous*—May '06, August '05; *XL Girls*—SCORE Special #116

**Video:** *Horny Plumpers* (X-Rated, available on VHS and DVD on page 98)

Winning 2005 *Voluptuous* Plumper of the Year was “one of the greatest feelings I’ve ever had, and that includes having sex,” Scarlett said. “I was so nervous the first time I posed. The photographer thought I was a natural and that I must have done it before, but I told him, ‘Never. I’m just having so much fun, so maybe that’s coming through.’” Scarlett’s enthusiasm definitely *came* through. She said she had orgasms during her photo shoots and her video shoot for *Horny Plumpers* (available on page 98). “I can cum easily by myself, and I came like crazy,” she said. “Posing for *Voluptuous* is the most fun thing I’ve ever done. I think every girl like me should do it!”

# GOLDIE

## Look. And if you'd like, touch.

"When I'm out in public, I wear tight, low-cut T-shirts, short skirts, no underwear and high heels," said Goldie, a black-and-stacker from California who's our first newcomer of the issue. "I get a lot of attention. A lot of guys try to pinch my ass when I walk by. One guy reached up my skirt to pinch my ass. Boy, was he surprised when he got a handful of bare ass!"

## BARE FACTS

## GOLDIE

**Birthday:** January 21

**Height:** 5'6" **Weight:** 148 lbs.

**Bra Size:** 38E

**Measurements:** 44-30-38

**Born & Lives:** California

**Occupation:** Exotic dancer

**Favorite type of man:** "I like guys who are intelligent, sensitive, open-minded and know how to handle a woman with a body like mine."

Goldie is really into sex, and she's really into checking out the guys who are always staring at her nipples poking through the tiny tops she wears. "I like seeing a man's hard-on in public," she said. "I like that I'm almost 40 and I can still get that kind of reaction out of men. I'm not the kind of girl who will walk up to a guy on the street and drag him back to my bedroom, but I am the kind of girl who will let you know pretty quickly if I want to fuck you. You'll know when I grab your cock through your pants!" Sounds like an invitation to us. "A body like mine was made for sex," she said. "God didn't give me these big tits and a big ass so I could become a nun. He gave it to me so I could fuck. And that's what I do."

her knees and took the head of my cock in her mouth. She had one hand wrapped around my cock, and she pistoned it up and down as her tongue traced the circumference of my glans.

I leaned back against the wall. In all the years I had been delivering mail, nothing like this had ever happened to me, and even though I knew people on my route were waiting for their mail, I wasn't about to rush delivery.

Jenny leaned forward and took another inch of my cock in her mouth, and then another. After she'd taken in nearly two-thirds of it, she pulled back. Then she pushed forward, tak-

ing even more of my cock into her mouth. I reached down and wrapped my hands in Jenny's hair, holding the back of her head as she face-fucked me furiously and expertly.

I hadn't been with a woman in nearly a year, not since I fucked my ex-wife's younger sister in the coatroom at the American Legion during my cousin's wedding reception. My hips began moving back and forth and, as much as I wanted to, I couldn't hold back. I came and came hard, firing a thick wad of hot spunk against the back of Jenny's throat. She swallowed, then swallowed again.

When my cock finally stopped spasming in her mouth, Jenny licked it clean and then stuffed it back in my uniform shorts. She licked her lips as

she stood.

"I..."

Jenny silenced me with a finger against my lips.

"Tomorrow," she said, her voice low and husky. "Or the next day."

She reached down for the mailbag and handed it to me, urging me out the door and onto the porch. I stepped off the porch and then looked back. Jenny still stood behind the screen, but she'd already rebuttoned her blouse.

**O**ld Man Calvin pulled his door open about six inches and glared at me through the crack. "You're late."

I handed him his mail.

"And your barn door is open."

I turned away and corrected the problem. His door slammed shut behind me.

**I** hurried through my route the next day despite a heavy volume of second- and third-class mail and was disappointed when I saw the Escort sitting in the McCarthys' drive. I took a deep breath.

As I approached the porch, the wiry, dark-haired man I'd seen that first day pushed the screen open. He stood on the top step and looked down at me. His right hand was hidden behind his right thigh, but I swear I saw the butt of a revolver. My cock shriveled, and my balls receded into my body cavity.

"Another hot day, Mr. McCarthy," I said as I offered the mail to him.

"Yes, indeed," he said. He took the proffered mail with his left hand.

I turned and walked away, all the time wondering if I'd really seen the butt of a revolver and wondering what it would feel like to be shot in the back.

**F**or the next two weeks, I faced the Escort each day when I rounded the hedge separating the Johnsons' house from the McCarthys', and each day my hopes sank a little deeper. I didn't see Jenny at all during that time and only saw her husband twice. Once he had his head stuck under the open hood of the Escort, an odd bulge at the back of his pants where his untucked T-shirt covered something, and the other time he sat on his front steps drinking a beer.

He took the mail from my hand that day and dropped it on the step next to

# BOZENA

**Show of hard-ons, V-Men...  
Who wants to spray gobs of  
goopy spunk all over this rack?**

Yeah, that's a rhetorical question if we've ever heard one. There ain't a straight man alive who wouldn't be rock hard and ready to pump if Bozena was in front of him just like this: tits out, face ready and moaning the two greatest syllables known to man or any-kind...*Fuck me!* She wouldn't have to say it twice.

You wanna talk about head-to-toe perfection? Cover girl pretty, ultra curvy, a fuck-star who can take cock in mouth and pussy with the best of 'em and, oh yeah, a super-titter. What's not to love? But, from one boob hound to all of you still trying to pick your jaws up off the floor, we dig her dugs the best. Thumb-size, awfully pliable and orgasmically sensitive. We don't like to play favorites here, but the truth is, for all of you guys who wonder who has our favorite nips, here they are!

All righty, boys and girls (chicks love Bozena, too, as we found out when Bozena and Kelly Kay got together in *Bosom Buddies* #6), it's gratuitous plug time: *Voluptuous Xtra* #9. Not only does Bozena assume all of the positions, she takes a big, hard, horny man-pole balls-deep in her tight pussy until her orgasmic screams get so loud, you're gonna need to put some tape on your windows to protect against flying glass. # INES CUDNA

**She doesn't need to workout to look incredible. Ines' stunning beauty shines brightly from without and within.**

Here's Polish beauty Ines Cudna doing something a lot of us don't necessarily want her to do: working out. Because this kind of plays into the stereotype, right? The one that says chicks have to spend hours in the gym and watch what they eat in order to comply with society's view of female beauty? But let's not get too negative here. Ines says she loves to work out because "it makes me horny." Good! "And because I want to keep my breasts firm." Double-good!

In this issue's letters section, a reader opines, "I want to see the most voluptuous, all-natural women on the planet, *not* the prettiest." We didn't respond to that letter, but we could have pointed to these pictures of Ines and asked, "Why can't a woman have beauty *and* big, natural tits?" Or we could have quoted Ines, who said, "Beauty is everywhere. All women are beautiful in some way, and when a woman has inner beauty, it shows through. Beauty comes from within." Beauty is Ines. Beauty is before our eyes.

## THE POSTMAN...

him without looking at it.

"Let me ask you a question," he said. He upended the beer bottle and took a long swig. "Nobody pays attention to a guy carrying the mail. You must see a lot, know a lot of people's dirty little secrets."

For nearly 20 years, I'd kept what I'd seen to myself, and I'd certainly seen my share of strange things. I knew about all the magazines Mr. Webster received in plain-brown wrappers, and I remembered the time Mrs. Raskin answered the door wearing a black leather mask and holding a whip. I knew that Mr. Kelly liked to wear diapers, and I knew Mrs. Elderberry—90 years old if she was a day—always wore a see-through top on the day her Social Security check arrived in the mail.

McCarthy hadn't asked a question yet, so I waited.

"This is a pretty quiet place, isn't it?" he asked. "Nothing exciting ever happens, does it?"

"Not like Dallas or Houston," I told him. "We pretty much keep to our-

selves. Most exciting thing to happen around here is the year the high school won the state championship. And, hell, Jimmy Carter was still president when that happened. Why?"

He didn't answer and didn't seem to have anything else to say, so I continued on my way.

**T**he Escort was gone the next day, and Jenny met me at the door when I arrived. She practically leapt into my arms, crushing her heavy breasts against my chest and smothering me with kisses.

"I've missed you," I said.

She stepped away. "Come back tonight, after dark."

That day went slow as hell as I anticipated the evening, even though I had a bit of trepidation. That night, I parked my car over on Wimple and walked up the dry creek bed to the back door of Jenny's house.

"I thought you'd never get here," she said as she rushed into my arms. Her heavy breasts smashed against my chest, her crotch pressed tight against my swollen cock and my mouth covered hers in a deep, penetrating kiss.

As we kissed, Jenny forced her hand between us and unfastened my pants.

She slipped her hand under the waistband of my boxers and wrapped it around my stiff shaft, teasing the head of my cock with the ball of her thumb. A glistening drop of pre-cum squeezed out of my cock, and she wiped it away. Then she pulled her hand from my pants and stuck the ball of her thumb in her mouth.

I didn't think my cock could get any harder, and I was certain it would burst if I didn't relieve the pressure soon. We were in her kitchen, and she led me to the bedroom where she unbuttoned my shirt and pushed it off my shoulders. She pulled my T-shirt free from my pants and pushed it up my chest. Then she bent forward and kissed each of my nipples before dropping to her knees.

She pulled my pants down to my knees and freed my rock-hard cock from my boxers. Her warm breath tickled my swollen cock head, but she didn't take it in her mouth. She used the tip of her tongue to trace a wet line from the base of my cock to the head, and then down again. She took my balls in her hand and kneaded them together as she licked up and down my cock shaft a second time.

Then she pressed her lips against the underside of my cock and slid them up and down. Just when I thought I couldn't take any more teasing, she wrapped her lips around the head of my cock and spanked it with her tongue.

I couldn't hold back. I came.

Jenny swallowed every drop of hot cum and then stood. She quickly peeled off her T-shirt and shorts and stood naked before me. Her milk-white breasts were crowned with ripe, pink nipples, and I took them in my hands, realizing how heavy they were and how soft her skin felt as it oozed between my fingers.

We fell back onto the bed. I scooted down and took one thick nipple in my mouth, teasing it with my tongue and nipping at it with my teeth. Jenny held the back of my head, moaning with pleasure as I tongue-whipped her turgid nipple.

Then I did the same to her other nipple before sliding lower, kissing my way across her abdomen until I reached the silky, soft, blonde hair at the juncture of her thighs. Jenny parted her legs, and I buried my face

"You mean that's not you!?"

## SKYIE

**Stand up & salute! This first-timer is armed and ready!**

She's armed with all-natural DDD-cups (and a pierced nipple), a big, lush, fuckable ass and a shaved, bejeweled pussy that's always ready for fucking. This newcomer's name is Skyie, and if her name doesn't exactly roll off your tongue, her sensitive, pencil-eraser sized nipples will. "It's Skyie, as in Skyie Blew," she said, as if that really helps us any. "That's how I want to be known when I make it big in porn." Porn? That means she's willing to fuck. "You bet I am!" she said.

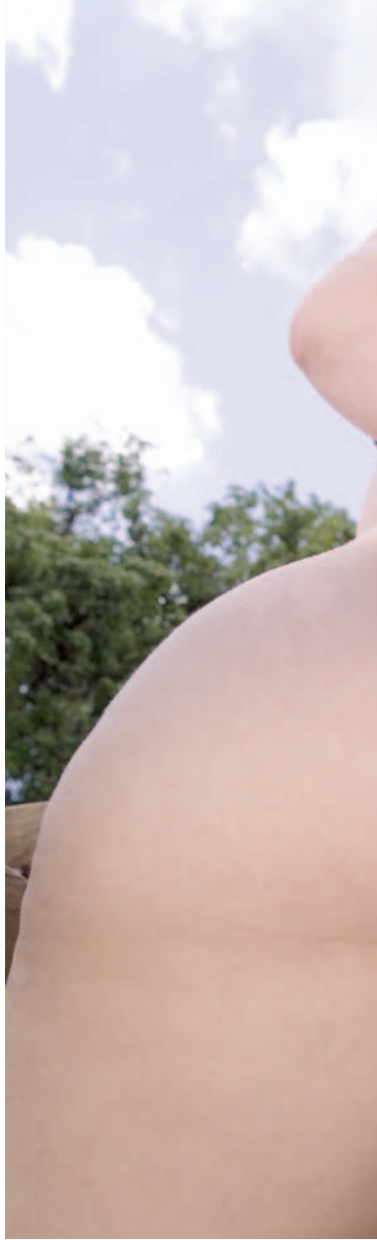

This Army-themed pictorial is fitting because Skyie was an Army brat. She was born in Germany, where her father was stationed, and made her way around the world before ending up in Colorado. "I'm an Army girl," she said. "I believe in discipline, except I discipline men by smothering them with my big tits and making them salute me with their hard cocks."

Obviously, Skyie isn't afraid of gigantic dildos. She isn't afraid of big cocks, either, as she proved when she fucked a real flesh-stick for our cameras. You'll be seeing those pictures in an upcoming Xtra section and *Voluptuous* video. "Fucking my pussy with a dildo came very naturally to me," Skyie said. "Fucking a guy in front of the camera came naturally to me, too. I'm not shy. Most guys never get the chance to make a move on me. If I want you, you'll know it." Tell us, Skyie. Tell us.

between them. I licked her swollen pussy lips, tasting the warm, salty goodness of her. Then I slipped my tongue between them, burying it deep inside her.

Jenny moaned and spread her thighs even further apart. I drove my tongue in and out of her a dozen times or more, then I found the tight bud of her swollen clit, and I sucked it into my mouth. I held it with my teeth and spanked it with my tongue.

Jenny moaned louder, and her hips began bucking up and down as I teased her clit. Then she cried out, and her entire body shook as orgasm swept through her.

By then, my cock had resumed its former stature. I slid up and onto and into her spasming pussy, burying my cock deep inside her. Then I drew back and did it again and again and again.

She wrapped her legs around the small of my back, hooking her ankles together as I continued driving hard into her.

Then she came a second time, and then I came, sending my second wad of hot spunk, bigger than the last, deep inside her throbbing pussy.

I collapsed on top of Jenny and stayed there until I caught my breath. Then I rolled off of her and lied beside her on the bed while she ran her fingers through my hair.

"I've lived here my entire life," I told her, "And I've never met anyone like you."

"Ever travel?"

"I've seen postmarks from all over the world," I told her. "I thought I might travel after I retire."

"When's that?" she asked.

"A couple of months," I said. Twenty years of service and I would only be in my early 40s. "I already have my passport."

Jenny rolled me onto my back and straddled me. "Think you can do it again, Mr. Postman?"

**W**e fucked every night for the next couple of weeks. Then her husband returned one Saturday night.

We were in bed and heard the Escort pull into the driveway. Headlights flashed through the bedroom win-

dows. I was deep inside Jenny, and she was gripping my ass trying to pull me in deeper. Suddenly, neither one of us could continue.

"Damn it," I said under my breath.

"He's early," Jenny said as I pulled out of her and rolled to the side. "He wasn't due home until tomorrow."

The front door opened.

I grabbed my jeans and pulled them on, panicking.

Jenny grabbed a robe.

The bedroom door opened.

"What the fuck is this?"

He looked at Jenny first, then at me. He reached behind his back and pulled out the revolver I thought I'd seen before. The muzzle pointed first at me and then at Jenny.

I felt the can of pepper spray in my pocket. I slipped it into my hand.

McCarthy stepped toward Jenny and then backhanded her. I leapt toward him and emptied half the pepper spray into his face. He gagged, dropped the revolver and covered his face with his hands.

Jenny grabbed the gun from the floor and brought it up in a two-handed stance. Without any hesitation at all, she squeezed the trigger and sent McCarthy crashing back against the wall, a hole drilled in the middle of his chest. He slowly painted a red stripe as he slid down the wall.

I swore under my breath and kept swearing for the next two hours as Jenny packed all of her personal belongings, which fit into two suitcases and a make-up bag, and we stuffed them in the back of the Escort. I wasn't sure what I had touched inside the house, so I wiped down everything I possibly could.

Then Jenny drove away in the Escort, and I walked down the dry creek bed to where I'd left my car. I couldn't sleep for the rest of the weekend, and I returned to work on Monday as if nothing had happened.

I walked my route every day for the rest of the month, acting as if nothing in my life had changed. The only mail the McCarthys ever received, except for that one letter, was third-class. Junk mail. Things I pretended to deliver and then destroyed later so that no mail built up in their mailbox as a telltale giveaway that something was wrong.

**VOLUPTUOUS  
READERS'  
TRUE LIFE  
CONFESSIONS!**

### **DRIVE ON THROUGH**

For the last couple of months, I've been working the graveyard shift, which has really fucked up my sex life. It's hard to meet a girl when you get out of work at two o'clock in the morning. Forget about asking anyone out on a normal date. The only women left in the bars at that time are bar hags and, with only one hour of drinking, my beer goggles just don't get thick enough for me to pick up a last-call ho. So I'd pretty much given up on the idea of getting laid until I was back on the day shift.

Every night after work, since I have nothing better to do, I go through the fast food drive-through and get myself something to eat: a burger, fries, a shake, whatever. Mostly, I am just too keyed up from work to sleep, so it kills some time now that I'm not going out after work. After about two weeks, I noticed that the voice who takes my order was playing with me. Like, I'd say, "A double burger," and the voice would giggle and ask me if I wanted special sauce with that. It's hard to explain, but she would make it sound dirty, making little jokes about super-sizing and stuff. Finally, I figured I better check this out.

The next time I drove through, I made sure to get a good look at the girl in the window. She wasn't that bad! She had an okay face, brown hair up under her hat, and even though her uniform was gross, I could tell she had to wear an extra-large on account of her massive tits that even the polyester uniform couldn't hide. Her name tag said Julie.

# **RATED FILES**

So, I started joking back with Julie, like telling her I was super-sized, stupid stuff like that. It was a nice way to end a night after work.

A couple of nights ago, I made a lame joke about my secret sauce, and Julie surprised me. She told me to pull around to the back of the parking lot and she would bring me my order. I thought that was kinda weird, but okay, whatever. I turned off my car and didn't wait five minutes before she was knock-

ing on the passenger side window. I rolled it down and she said, "Unlock the door. Let me in." I didn't see a bag of food in her hand, but I let her in. That turned out to be a good move.

Julie didn't look at me when she said, "I guess you know I kinda like you." I was too surprised to say anything back. She said, "I wanted to show you how much I like you." Then she unbuttoned the top of her uniform and let her huge jugs fall out. She was wearing the biggest bra I'd ever seen. I mean, those hooters were practically breaking out of the material.

"I know you notice my boobs. You look at them every night," Julie said. "I thought you might like to see them up close and personal."

Well, she was right there! I did want to see them up close. I nodded at her, and she reached behind herself and undid her bra. Whoa! If I thought they were big in a bra, they were humongous floating free. Julie took my hand and put it on one of her tits. My mitt couldn't even cover it. I felt around for a while, and they felt great. They were soft and squishy, all-natural and probably the biggest tits I'd ever felt.

While I was copping handfuls, Julie reached over and unzipped my jeans. My cock got her when she popped her top, and when she touched me, I had to start thinking about work and quotas and my asshole boss to stop myself from cumming right there and then.

Julie started jacking me off. My cock hadn't been touched by anyone else but me in so long, I almost forgot how great it felt. But before I could get too into it, Julie leaned over and gave the head of my dick a lick. She then looked at me, like she was checking to see if that was all right. I nodded because, yeah, if she wanted to suck my dick, that would be all right with me. So she did. She was pretty good at it too. I'm not more than average size, and she got all of me, right down to the balls, in her throat. She had nice head action too, bobbing up and down at a pretty good pace.

Then she got a little freaky, and I mean that in a good way. She reached into the pocket of her jeans and pulled out a package of ketchup and a package of mayonnaise.

"I'm gonna mix you up some special sauce," she said, tearing the packages open with her teeth. Then, she squirted the ketchup on her left tit and the mayo on her right. She started mashing her

tits together so that the ketchup and mayo got mixed and dripped all down into her cleavage.

"This is how I make special sauce," she said. Then she joked with me a little and said, "All I need is a hot dog to go with it." She looked at my cock and at her tits, and I got the message. She wanted me to tit-fuck her. No problem. I could do that.

She scooted up closer to me and held her tits together. I shoved my cock right up between them, getting covered with the ketchup and mayo as I pounded the crevice her boobs were making. The ketchup and mayo made her tits nice and slippery, and she kept licking the tip of my cock when it came close to her face. I went faster and faster, and Julie said, "Come on, give me your own special sauce, right on my tits." That wasn't a problem either. I pumped a few more times and then sprayed my sauce all over her huge hooters, making a real mess of them.

Julie cleaned herself up with a few napkins, then said she had to get back to work. I never got my food that night, but I've been back for some special sauce a few times since then.—H.P., Hartford, Connecticut

### DREAMS DO CUM TRUE!

I don't consider myself handsome. I'm just an ordinary guy who doesn't get lucky often. Every chance I try, I always take a wrong turn. Sometimes, I just feel like giving up looking for pussy when I can't get any. That's how I felt this one day. I was sitting in my living room watching TV when I heard my doorbell ring.

I waited for it to ring again, but it didn't, so when I went to go check out the front window, it was this girl. I was so fucking nervous because she looked so sexy. I opened the door. She looked at me, I looked back at her, and I asked her if she wanted to come in. She smiled, stepped in and sat on the couch. I shut the door and went back to watching TV. It was odd for a minute until she said she's seen me around. I'd never seen her before in my life. Besides, I was sort of new in the area, but all that didn't seem to matter.

I asked her where she'd seen me, and she looked at me in a sexy way and told me, "It's not important." All that time we sat there, all I could think of was if this was my chance to get some pussy. We exchanged a few stories, but stories

don't mean anything when pussy comes around.

After a few minutes, we kind of paused and got quiet. She didn't say a word for a moment, then she got up and went into my room. I thought it was a dream, so I went to go check, and she was on the bed. I asked her why she was in my room, and she looked at me again with that sexy look. She reached out and grabbed my hand for me to sit down by her. For someone like me, who doesn't get lucky all the time, I was more nervous than she was. She gave me a little kiss on the cheek, so I kissed her back. It was worth it, because after that kiss, she told me her name was L'ree. I asked her if it would be all right for me to kiss her once again. She said, "Don't even ask me. Just do it."

Kissing got to touching. I started touching her thighs and rubbing on her soft legs. She looked at me and told me to take my shirt off, so I did. Her kissing on my body got my dick hard. She laid me down and got on her knees, unbuttoned my pants and pulled out my hard meat to stroke it up and down.

She started slowly kissing on my thighs and moving up to my balls. She told me not to move until she said so, but that didn't mean shit to me. I grabbed her hair and moved her face closer to my balls. Feeling her tongue on my balls sent shivers down my spine. She sucked it like she really knew how, and I liked it. Then she started licking up my dick until she got to the head. I moved her hair so I could watch how deep she went.

She played with my dick-head for a moment, then took it deep in her throat. The feeling was like no other feeling I'd ever felt. A long time went by, watching her suck my dick wildly, rubbing it with her teeth like she wanted to bite me, looking sort of angry but in a sexy way.

She stood up, took off her shirt and told me to undo her size 38F bra. I laid her down as I undid her bra, kissing and sucking on her pink nipples. She stopped me and said, "Do whatever you fucking want to me." It was like a dream come true for me, and as I kissed her more, she moaned louder.

I got up to her tits, and she spit on my dick and rubbed herself. She squeezed her melons against my meat and slowly rubbed my balls with her pinky. Her tongue reached for my dick. My dick slid between her 38Fs, and my balls hit her tits at the same time.

I had no time to waste. I felt like cumming right then, and I couldn't stop myself. My juice sprayed all over her face and neck. She laid there licking off my dick and asked me if I was gonna fuck her pussy. That first nut wore me out, but while she was tonguing my dick head, she made me ever hornier.

I pulled down her pants and panties and started rubbing her clit. She was wet as if she had poured oil on herself. She told me to quit fucking around and stick it in her ass first. That was surprising to me, but I tried it for her.

She got on her knees and hands, and I rubbed some of her juices on her asshole, just to let my dick slide in easier. Slowly, my meat disappeared in her ass. She was moaning like crazy, and loud. Her tight ass felt so good, I started going faster and deeper, and after a while she screamed, "I'm cumming!"

I kept on going until she came and felt her gush on my leg. So, I put her on her back, put her legs on my shoulders and started on her pussy. Spreading her pussy lips just made me want to fuck her all night. I felt my balls tighten, goose bumps all over my back and her pussy tightening on my dick. I couldn't hang on anymore, so I gave her a few more pumps, and she pulled out my dick and put it in her mouth. My cum spurted in her throat. She swallowed. While I was feeling so tired and weak, she licked every last drop off my meat until it was completely clean. We laid there for a moment until I fell asleep.

When I awoke, I found a letter and her panties. The letter said that she would come back again one day because she never had sex like that before. It also said, "Your fucking is better than my husband's."

My advice to all the unlucky ones out there is: Don't let yourself down. Dreams do come true.—T.B., Philadelphia, Mississippi

# DEBORAH BLUE

**A real girl who wants  
a real man to make  
her happy. She'll  
make you happy.**

"My fantasy is to meet the man of my dreams, get married, have two children, settle down in a modest but beautiful home and live happily ever after. I'll even pole-dance for him!" said Deborah Blue, a 26-year-old newcomer from Germany who's living and working in London, England. "I haven't had much luck so far. The last man I met seemed perfect until he asked me to lose some weight. I should've known something was wrong when I saw copies of *Maxim* in his bathroom."

Posing for *Voluptuous* might seem like an unusual move for a girl who wants to meet the right man, have a family and settle down, but Deborah said, "At least the men who see me in *Voluptuous* won't ask me to lose weight, and they'll know what to do with my breasts, unlike most men. Most guys are either afraid of my breasts or they handle them like they're not attached to my body. Doesn't any man out there know how to make love to a woman's breasts? Doesn't any man know how to treat a lady?"

"In my fantasies, I'm making my man happy and he's making me happy, spiritually and sexually," Deborah said. "He's loving me for the woman I am. He doesn't mind that I wear sexy clothes because he knows I'm going home with him. He doesn't think posing for a magazine like *Voluptuous* makes me a slut because he knows *Voluptuous* readers worship feminine beauty. I fantasize about making love with him for hours, then waking up and making breakfast for our kids. Does any guy out there want to help with my fantasy?"

## THE POSTMAN...

*Continued from page 71*

One day, I rounded the hedge to find half a dozen vehicles parked in the drive and on the front lawn. Two of the cars were from the Sheriff's office. Yellow crime-scene tape surrounded the house.

I had a handful of mail addressed to Occupant at that address. As I approached the porch, a deputy stopped me.

"Can't go up there," he said.

"What happened?"

"There's a dead guy inside. The landlord thinks it's Mr. Wesson."

"Wesson?"

"Guy who rented this place a couple of months ago," the deputy said. "When he didn't pay the rent this month, the landlord came out to get it. Nobody answered when he knocked, so he let himself in. Body's been there a while. Place smells awful bad."

"So what do I do with this?" I held up that day's mail.

"I'll take it." After taking the mail from me, the deputy looked at the mailbox on the front porch. "You deliver mail here every day?"

"Most days," I said. "All they ever get is third class."

"So where'd it all go?"

"Excuse me?"

"If you've been delivering the mail here, somebody's been collecting it."

I didn't have an answer for the deputy, and a few minutes later, I was on my way.

McCarthy's death headlined the local paper the next day, only they referred to him as "Charlie Wesson." Two days after that, the newspapers had another name for the dead man, and they identified him as the key suspect in a series of bank robberies across the southwest. Although none of the Associated Press's sources agreed, they all placed his total robbery revenue somewhere north of a million dollars.

The sheriff questioned me, just like he questioned all the neighbors, and there wasn't anything I could tell him. After all, I just delivered the mail.

Later that week, Old Man Carlin met me at his door, the newspaper in his hand.

"I told you she was trouble," he

said, glaring at me. I had to wonder how much he knew and how he knew she was trouble in the first place.

I handed Old Man Carlin his mail.

"She looked like the kind who could screw a man in more ways than he could imagine," he said. "I've been around long enough to know those kinds of things. I've met her type."

Old Man Carlin spent too much time alone, peeking through his curtains, and I didn't know what he might have seen. I looked him straight in the eye and said, "Imagine if she returns."

He became flustered and slammed the door.

**T**he FBI visited, but after a few months, things died down. Six months later, a family with two small children rented the place, and I found myself having to negotiate a minefield of toys every time I crossed the yard. About that time, I picked up retirement papers but left them unfinished on my kitchen table. I'd been delivering mail for so long that I wasn't sure what I would do with my time if I took retirement.

It must have been three months after that when I spotted an envelope addressed to "McCarthy." I separated it from the other mail destined for that address and took it home with me that night, wondering.

I laid the envelope on my kitchen table and stared at it for the longest time. The handwriting was unlike that on the first envelope many months earlier. This was more feminine.

There was no return address, just a smeared postmark. Curiosity finally got the best of me, and I slit the envelope open with a butter knife.

Inside, wrapped in a plain, white sheet of paper, was a one-way ticket to Bermuda with my name on it. It was dated for tomorrow.

I looked at the retirement papers I'd been toying with for a month, and I smiled. Retirement might not be so bad after all. I pulled the papers to me and quickly finished filling them out.

Jenny.

Her big tits.

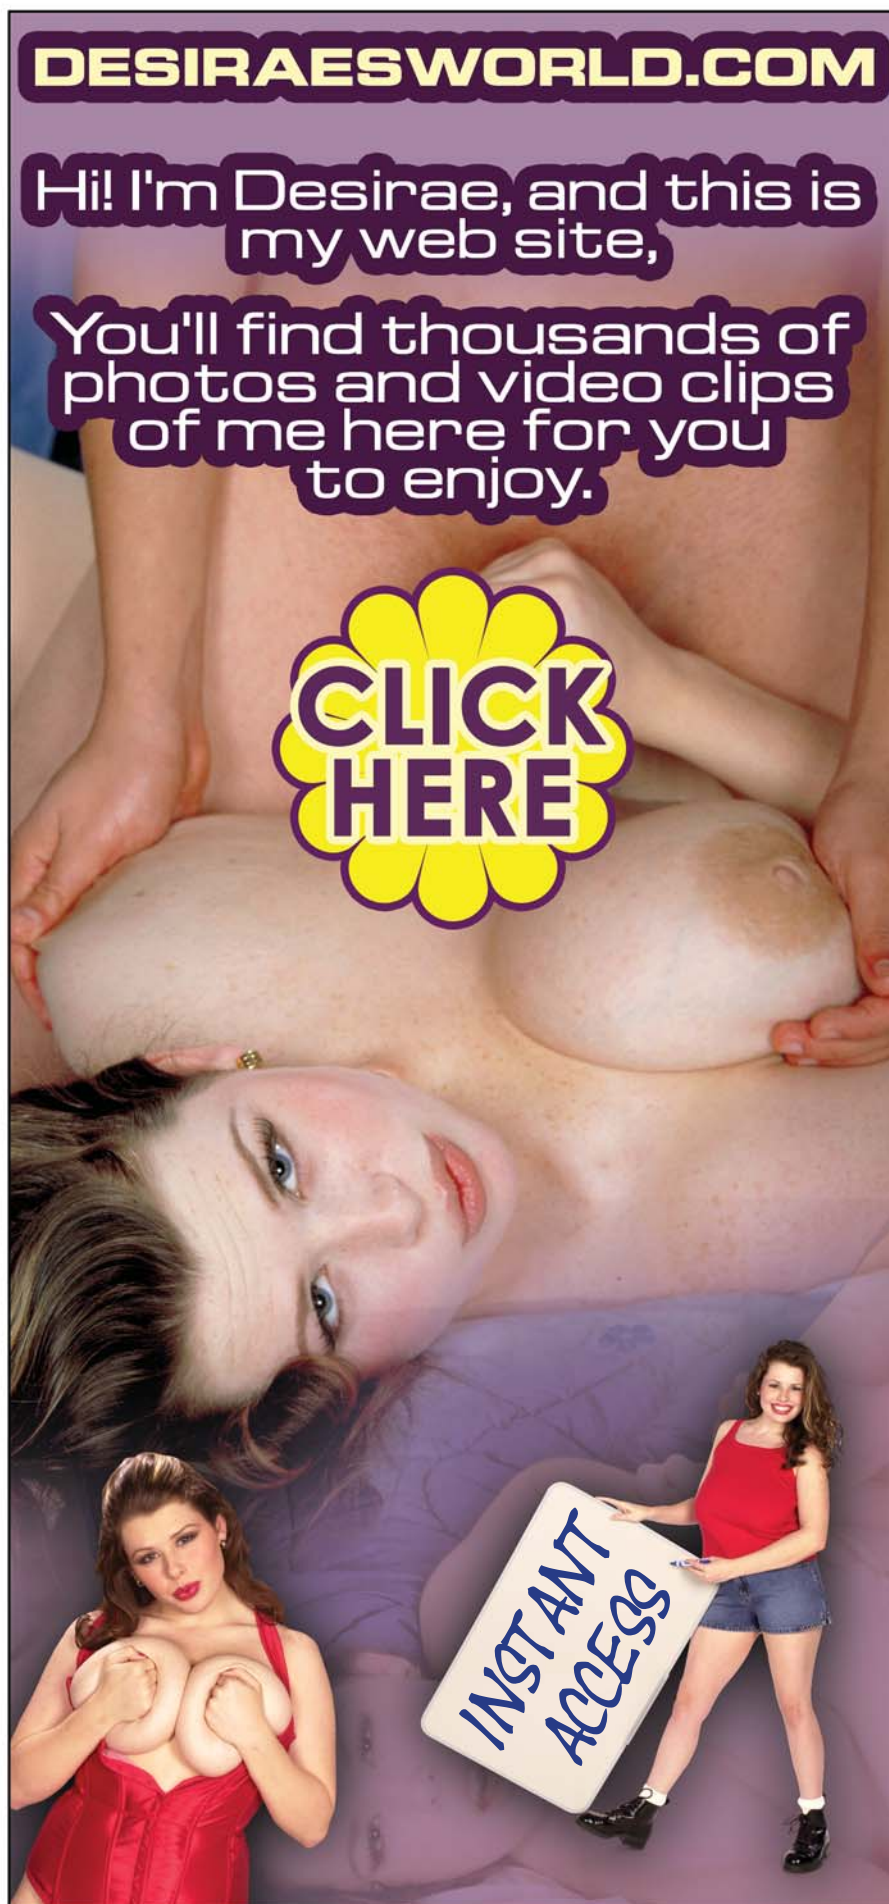

Ramming my cock into her expert mouth and her swallowing my load.

The best fuck of my life.

A beautiful beach.

Retirement.

It was starting to look like Old Man Carlin was wrong, after all.

**She might have the greatest tits ever.  
But she's not the competitive type.**

Fresh off of her victory over Bozena in the first round of "Big-Breast Challenge II," Nadine Jansen is awaiting the winner of the Linsey Dawn McKenzie vs. Devon Daniels match, which will be featured in the Holiday '06 issue. So, what is Nadine doing while waiting for her-second round opponent? Stating her case for another victory...and big-tit supremacy.

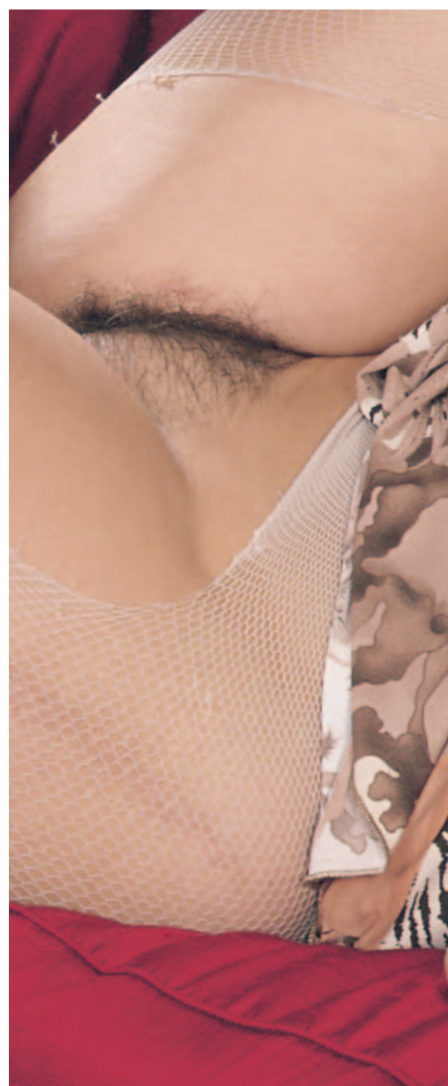

"Linsey and Devon are both beautiful," Nadine said of her potential second-round opponents in BBC-II. "I do not think it is proper to ask people to judge who is better. Why must we turn everything into a competition?" Because we're men. Because we love two things: jacking off to big-titted babes and sports. And if we can turn jacking to Nadine into a sport, then life is infinitely better.

## SUNSHINE

### Spreading Sunshine all over the place.

Sunshine is back in an all new tit-fucking adventure. She's looking very well also, even prettier than ever. What she does to this guy with her jugs is amazing. It's hard to believe they were able to walk after they fucked so hard. There are enough jack-spirational photos in this one pictorial to last for four weeks, judging by our man-hose meter.

With a rack that won't quit and a libido to match, Sunshine is a huge-chested nymphomaniac. Her latest XXX DVD is called *XXX Chubby Twats*. *XXX Chubby Twats* can't be beat if you love seeing tight-twatted, big-titted girls-next-door being tit-fucked by bloated cock like there's no tomorrow. If you also love watching stacked chicks dipping their giant tits into cream pies and sucking cream off a woodie, then check out *Cream My Tits*, also featuring Sunshine. "I loved sucking his cock with cream all over it," Sunshine said. "It made me feel like a dirty girl. I loved my scene in *XXX Chubby Twats*, too. *Voluptuous* is the only mag I've ever done movies for and they're all special to me. I play them over and over when I'm home alone." Does she diddle while she watches? "That's a silly question," she said. "I cum all the time. I love to vibrate my clit while I watch a hard cock slide between my big tits right into my mouth. It's so cool."

# CHERRY B.'S FIRST TIME

On camera, that is. She's the ultimate girlfriend. The ultimate V-Girl. You're about to find out why.

You know, some guys have all the luck. Take Cherry B.'s man. Not only did he have the pleasure of taking his gal's photos for the March '06 *Voluptuous*, but he got to see them printed. Showed 'em to friends. Wallpapered his room with the pictures. Then, he fucked Cherry senseless while looking at the pictures. Now, here's where the "some guys have all the luck" part comes in. After he plowed his uncircumcised cock into Cherry and came all over her tits, he said, "Hey, honey, you wanna shag for *Voluptuous*?" Her reply: "I'll do anything for you baby, you know that." Why can't we find a girl like that? Why can't we find a big-racked girl who will do anything we ask her to do? Hey, girls like Cherry B. are unusual. That's why we have *Voluptuous*.

The good thing about Cherry's man is that he's the bashful type, so we're not getting any pictures of him wearing what we can only imagine is a constant shit-eatin' grin. What we are getting are plenty of pictures of Cherry giving her man the business. As for Cherry and her first-ever hardcore pictorial, she was actually a bit nervous. "We were shagging, and he was taking pictures, holding the camera at all kinds of angles, saying things like, 'Come on baby, suck my cock!' and 'Keep cumming! Keep cumming!' I started to get performance anxiety. Then, when I saw the pictures, I thought, 'Hmmm, I don't look half bad shagging. What do you think?'" Go back a sec, Cherry. Your man not only got to fuck you for this pictorial, but he was taking the pictures while he was doing it? "Of course. He's quite talented. And very handsome. And great in bed. And..." Stop it, Cherry! We don't want to hear anything else about your guy. Besides, that's our cock you're fucking, Cherry.
